Casual parking is available in zones **X3 and W4 only** which are highlighted in yellow. This is an open-air carpark. See our email for details on parking rates. Other carparks are 'special yearly permit' only and you may be fined if you park there.

The casual carpark is a 2 minute walk to our building, C5B, which is also highlighted in yellow.

Building C5B is a small, ground-level annex to the large C5A building.

**Walk along the path marked from the casual carpark to C5B.**
